Advanced Wastewater Solutions | Fuji Clean System

Upgrade Your Outdated Septic System

With **Financial Assistance** from the **Suffolk County Septic Improvement Program (SIP) Grant and Shelter Island Town Rebate!**

WHY UPGRADE?

- Improve water quality and environmental health.
- Avoid costly and dangerous septic failure.
- Conventional Septic Systems are not designed to reduce pollutants.
- Take advantage of grants currently available for homeowners.

FOR MORE INFO VISIT:

<https://suffolkcountyny.gov/Departments/Public-Works/Septic-Improvement-Program>

OR SCAN THE QR CODE:

The Suffolk County Septic Improvement Program (SIP) is a grant that provides financial assistance to homeowners in Suffolk County, New York, to replace or upgrade their conventional septic systems or cesspools with the **new and improved** nitrogen-reducing onsite wastewater treatment systems.

Want to learn more? Join us at an upcoming presentation!

- Learn how septic systems are polluting out water!
- Be walked through the Septic Improvement Program (SIP) in depth.
